

Dear _____,

For many years, the Bureau of Prisons has failed to oversee our nation's prisons as they should. Safety, not enough rehabilitation and education, poor working conditions and unhealthy living conditions plague the system. I applaud the Federal Prison Oversight Act signed into law in 2024. I ask that you do all you can to support this law. Thousands of people everyday suffer from our grossly under supervised prison system. While no one denies those who break the law should be held accountable, this should be accomplished in humane conditions.

Thank you for your attention to funding and enacting this much needed law.

Sincerely,
